BALLISTOL PREMIUM RUST PROTECTION OIL

Product Features

For lubrication during thread cutting and for loosening tight screw connections and joints

Special Features

- Cleans, protects and lubricates
- Without waxes and silicones
- Displaces moisture, prevents leakage currents
- Eliminates squeaks and creaks
- Prevents corrosion and freezing of door locks
- Best preservation even in high humidity and aggressive ambient air

Application / Practical Tips

- For maintenance and protection of machines, equipment, precision tools, measuring instruments, moulds and punches
- Ideal for long-term preservation or intermediate storage of semi-finished and finished parts made of steel and iron inside or outside
- Used in industry, crafts, vehicles of all kinds, shipping industry, agriculture, household and garden as well as fishing equipment

Available as	art.no.
Spray 200 ml	25260
Spray 400 ml	25261
5 liters	25264

Physical and Chemical Characteristics

- Appearance: oil dark brown, spray light yellow
- Odour: oil mineral oil-like, spray characteristic
- pH value: oil not determined, spray approx. 8 (emulsion in water)
- Pour point: oil approx. -42 °C, spray not determined
- Flash point: oil > 62 °C, spray approx. -104 °C
- Lower explosion limit: oil not determined, spray approx. 1.5 vol-%
- Upper explosion limit: oil not determined, spray 10.9 Vol-%
- Vapor pressure: oil < 5 hPa, spray not determined
- Relative density: oil approx. 0.88 g/cm³, spray approx. 0.874 g/ml
- Viscosity kinematic: approx. 20 mm²/s, spray approx. 18 mm²/s
- Temperature application range: -40 °C to approx. +150 °C
- Refractive index: 1.48 (20°C)

Hazard Statement

- Spray:** Extremely flammable aerosol. Pressurised container: May burst if heated. Harmful to aquatic life with long lasting effects.
- Liquid:** Causes skin irritation. Causes serious eye irritation. Harmful to aquatic life with long lasting effects.

Important Product Advantages

- Long-time protection from corrosion
- Displaces moisture
- Eliminates squeaks and creaks
- Neutral towards rubber and plastics
- Contact spray and rust remover
- Does not contain animal oils
- Does not resinify
- Extremely wide range of application: in industry, craft, household, vehicles, agriculture, etc.
- Does not contain silicones, PTFE, waxes or acids
